

# Berean Christian High School Bus Rider Application 2023 – 2024 Academic Year

---

Berean is pleased to offer our families daily bus service to and from school throughout the school year. Our daily routes cover portions of Antioch, Brentwood, Clayton, Concord, Danville, Hercules, Martinez, Pittsburg, Pleasant Hill, San Ramon and Walnut Creek.

Our drivers are certified, experienced and courteous. We are committed to providing a safe, comfortable and timely ride at an affordable price. Our modern full-sized buses are equipped with heating, air conditioning and seat belts. Passengers are required to fasten their seat belts for safety.

Our drivers keep track of attendance every morning and afternoon. Riders have the option of paying the drivers in cash for each one-way trip, or the actual number of one-way trips ridden will be reflected on your monthly statement, which you will receive from the Berean office. Almost everyone chooses to use this “bill me later” option.

In addition to school buses, school owned vans driven by school staff members may be dispatched to assist on the bus routes. As we progress through the school year, bus schedules are subject to change. Our goal is to meet the transportation needs for the most families in the most efficient manner.

Vehicles are cleaned regularly, and care will always be provided to ensure the health, safety and comfort of all our passengers and drivers.

We sincerely hope this provides the kind of service that many of you can use. If you have any comments, questions, concerns or requests regarding our school bus services, I will be glad to speak with you.

Address \_\_\_\_\_

PARENT Cell: (\_\_\_\_\_) \_\_\_\_\_

STUDENT Cell: (\_\_\_\_\_) \_\_\_\_\_

**Please select the desired Bus Stop Pick-up/Drop-off Location (See available locations on Schedule.)**

ROUTE and STOP LOCATION: \_\_\_\_\_

**Please complete and return this page to the school office or bus driver.**

**Keep the Route and Schedule for your own reference, or access it any time at [www.bereanchristian.com](http://www.bereanchristian.com).**

**Please arrive at the bus stop a few minutes *before* the scheduled departure time. This will allow the driver to take attendance, and all the passengers can be seated safely before the actual departure time. Thank you!**

The most important issue in transportation is **safety**. The driver is responsible to operate the bus in a safe manner for the sake of everyone in and around the bus. The best way you can contribute to a safe bus ride is to **always wear your seatbelt, and avoid any behavior that would distract the driver.**

If unacceptable behavior is displayed on the bus, demerits and / or service hours may result. (By "service hours", we mean you get to help Mr. Grant wash the bus!)

*By signing this application, I acknowledge the importance of safety in transportation, and will determine to always abide by the common sense bus rules, as laid out in the student handbook.*
