(print, sign, and turn into Registrar)

We, the undersigned, have read and understood the [BCHS Appropriate Use Policy](#) and the [iPad FAQs](#) document, as published on www.bereanchristian.com, on the iPad Program page found under the Academics menu.

We understand that by receiving an iPad from the school that we (parent and student) are jointly responsible for its care. We understand that the iPad and its accessories (case, charging block, charging cord) remain the property of Berean Christian High School and are entrusted to the care of the student for the remainder of the school year. At the end of the school year (or in event of student withdrawal), the iPad and its accessories are to be returned to the school in good, working order.

In the event the assigned iPad is damaged, we understand that after the amount of the damage is assessed by the school, and that our school account will be charged for the cost of repairing the unit. In the event the assigned iPad (and/or its accessories) is lost, stolen, or irreparably damaged, we understand that we will be financially responsible to pay for its full replacement cost. In the event the lost iPad (and/or its accessories) is subsequently recovered in working order, replacement charges will be reversed.

Potential iPad-related charges assessed:

- Loss of iPad or irreparable damage: \$500
- Broken/cracked screen repair: \$125--\$175
- Other repairs (if caused by student misuse): TBD per repair cost
